- ✓ Professional Power Equipment. {PTO generators, Welders, PW Series High Pressure Washers, and MP Series Motor pumps, TG series and W series}.
- ✓ NG and LPG Home & Small Business Powerknight Generators.
- ✓ Portable Power Station (PWB series)

The manufacturer will, at its discretion, repair or replace any part(s) that, upon examination, inspection, and testing by our service engineers or Authorized Service Dealer (ASD), or branch thereof, is found to be defective under normal use and service, in accordance with the warranty schedule set forth below. Repair or replacement pursuant to this limited warranty shall not renew or extend the original warranty period. Any repaired product shall be warranted for the remaining original warranty period only. Any equipment that the purchaser/owner claims to be defective must be examined by the nearest ASD, or branch thereof. It is highly recommended that scheduled maintenance, as outlined by the owner's manual and any component documentation, be performed by ASD, or branch thereof. This will verify service has been performed on the unit throughout the warranty period.

Warranty Coverage: Warranty coverage starts from the date of shipment from our factory, Registration of the unit will restart the warranty period up to six months from date of shipment.

Product Group	Warranty Period (Years)	Hours / Cycle Limitation
